

§ 10.727 What is the pay rate of jurors for compensation purposes?

For the purpose of computing compensation payable for disability or death, a juror is deemed to receive pay at the minimum rate for Grade GS-2 of the General Schedule unless his or her actual pay as an "employee" of the United States while serving on court leave is higher, in which case the pay rate for compensation purposes is determined in accordance with 5 U.S.C. 8114.

PEACE CORPS VOLUNTEERS

§ 10.730 What are the conditions of coverage for Peace Corps volunteers and volunteer leaders injured while serving outside the United States?

(a) Any injury sustained by a volunteer or volunteer leader while he or she is located abroad is deemed proximately caused by Peace Corps employment and will be found by OWCP to have been sustained in the performance of duty, and any illness contracted while that volunteer is located abroad will be found by OWCP to be proximately caused by the employment unless the evidence establishes:

(1) The injury or illness was caused by the claimant's willful misconduct, intent to bring about the injury or death of self or another, or was proximately caused by the intoxication by alcohol or illegal drugs of the injured claimant; or

(2) The illness is shown to have pre-existed the period of service abroad; or

(3) The injury or illness claimed is a manifestation of symptoms of, or consequent to, a pre-existing congenital defect or abnormality.

(b) If the OWCP finds that the evidence indicates that the injury or illness may not have been sustained in the performance of duty due to the circumstances enumerated in paragraph (a)(2) and (3) of this section, the claimant may still prove his claim by the submittal of substantial and probative evidence that such injury or illness was sustained in the performance of duty with the Peace Corps.

(c) If an injury or illness, or episode thereof, comes within one of the exceptions described in paragraph (a)(2) or

(3) of this section, the claimant may nonetheless be entitled to compensation. This will be so provided he or she meets the burden of proving by the submittal of substantial, probative and rationalized medical evidence that the illness or injury was proximately caused by factors or conditions of Peace Corps service, or that it was materially aggravated, accelerated or precipitated by factors of Peace Corps service; if the injury or illness was temporarily aggravated by factors of Peace Corps service, disability compensation is payable for the period of such aggravation.

§ 10.731 What is the pay rate of Peace Corps volunteers and volunteer leaders for compensation purposes?

The pay rate for these claimants is defined as the pay rate in effect on the date following separation, provided that the rate equals or exceeds the pay rate on the date of injury. It is defined in accordance with 5 U.S.C. 8142(a), not 8101(4).

NON-FEDERAL LAW ENFORCEMENT OFFICERS

§ 10.735 When is a non-Federal law enforcement officer (LEO) covered under the FECA?

(a) A law enforcement officer (officer) includes an employee of a State or local Government, the Governments of U.S. possessions and territories, or an employee of the United States pensioned or pensionable under sections 521-535 of Title 4, D.C. Code, whose functions include the activities listed in 5 U.S.C. 8191.

(b) Benefits are available to officers who are not "employees" under 5 U.S.C. 8101, and who are determined in the discretion of OWCP to have been engaged in the activities listed in 5 U.S.C. 8191 with respect to the enforcement of crimes against the United States. Individuals who only perform administrative functions in support of officers are not considered officers.

(c) Except as provided by 5 U.S.C. 8191 and 8192 and elsewhere in this part, the provisions of the FECA and of subparts A, B, and D through I of this part apply to officers.
